Don't miss this great program and great chance to earn CE credits*!

About The Program/Instructors

Code is the foundation of everything we do in the plumbing industry. For the third year in a row, PHCC-Wisconsin is focusing its CE programs on the State Plumbing Code, this time focus on **Water Calculations, Sizing, and Distribution**. Leading the discussion is **Jim Davis**, a Master Plumber and an experienced plumbing instructor. Jim has taught apprentices for 20+ years and, for the past several years, has been a highly-rated code instructor for PHCC Wisconsin and other groups. The program also features time to interact with vendors, our **Vendor Showcase**, a brief safety presentation by Federated Insurance, and an **Industry Update by Jeff Beiriger of PHCC-Wisconsin**.

*Continuing Education Credits

Please note that the number of hours of approved continuing education may vary depending upon the credential you hold. MP and JP will receive 7.0 hours of credit for attending the entire day of program. For other credentials, contact the PHCC & MP/HC at (888) 782-6815x1 or mail@phcc-wi.org
