

As part of its educational programming,
PHCC-WI is proud to announce the launch of the
Wisconsin Institute of HVAC

Wisconsin Institute of HVAC

Leveraging the phenomenal success of its plumbing seminars across the state, PHCC-WI is proud to announce a new seminar series focused on meeting the needs of professionals in the Heating, Ventilation and Air Conditioning (HVAC) industry.

The Wisconsin Institute of HVAC will focus on four learning quadrants...

Attendees will graduate from the Institute upon completion of programs in the four quadrants, plus one business seminar aimed at developing leadership, communication and customer service competencies.

Graduates will receive:

- Wisconsin Institute of HVAC certificate of completion
- Wisconsin Institute of HVAC patch
- Letter of recognition from PHCC-WI President
- Recognition in the PHC Contractor magazine

Most programs are certified for NATE (North American Technician Excellence) continuing education credits. Programs are led by top-tier instructors, including Michael Prokup a graduate of DeVry University, who specializes in the development of HVAC-related training and technical publications.

Attendees of Prokup's seminars have shared...

"Prokup always keeps the class entertained and involved."

.....

"Best training program I have done yet!"
